*Supporting Homeless Men and Women*

Julian House provides vital services to homeless men and women in Bath & North East Somerset and West Wilts – two Night Shelters, Supported Housing Projects, Community Support Team, Meaningful Occupation Project, Women’s Refuge and a busy Day Centre. Some people believe that

Julian House’s clients have chosen their lifestyle. The truth is very different. No one chooses to have a mental illness and no one sets out to become addicted to heroin. And the abused women who turn up at the night shelters do so, not because it’s the easy option but because it’s the only option.

## Brain of Wessex – Grand Corporate Quiz Night

You can make a valuable contribution towards the work of Julian House by taking part in the 2009 Brain of Wessex Quiz Night.

Under the watchful eye of quizmistress Lady Margaret, 25 corporate teams will compete for the title - 2009 Brain of Wessex Champions. Star of TV, radio and stage this elegant dame of the arts scene will be ensuring fair play and maintaining the pace on what promises to be another fun and entertaining evening.

The event provides an excellent opportunity for networking, staff team building or entertaining clients. There will also be prizes for each pair of rounds. The questions will be pitched somewhere between Trivial Pursuit and Millionaire – with some novelty rounds as well.
