

# Corporate Volunteering at Julian House

## Volunteering time to raise funds

Create your own fundraising initiative with your colleagues and spend time to raise vital funds to support Julian House. Make it as unique, challenging and competitive as you wish...

## Volunteer at events

Be part of our incredible fundraising events! Help as a checkpoint marshal, run your own stall, or hand out water to participants. Your support can help ensure our events run smoothly and successfully.

## Volunteer in our services

Join an early morning outreach walk with a colleague and help us directly support vulnerable individuals in Bath, Exeter, Gloucestershire, and Basingstoke.

# Corporate Volunteering at Julian House

## Volunteering time to raise donations

We are always in need of high-quality donations to our shops, clients and services. Chat with our team to create a shopping list and use innovative ways to pool donations and raise awareness.

## Volunteer in our shops

We have eight charity shops across the South West and welcome volunteers to assist our teams. Whether you can commit to a single day or a regular shift, you'll help sort donations, serve customers, and make a real difference.

## Volunteer on a property project\*

From garden renovations to painting and decorating, we occasionally have hands-on projects that need extra help. These opportunities are great for teams looking to make a tangible impact on the accommodation and spaces we provide for our clients.

## NEW Volunteer your skills\*

Share your expertise to help our clients gain valuable skills on their journey to independence. Whether it's career coaching, IT training, or practical workshops, your knowledge can empower others.

A suggested donation of £50 per person for any volunteering organised by Julian House is encouraged to support our services and contribute to administrative costs.

**\*Some of our volunteering opportunities are only available on a request basis. If a specific opportunity has not been requested by our staff or clients, we may not always be able to offer it.**
