

Flowers of Hope

You will need:

- Toilet rolls
- Cardboard (you can use an old cardboard box)
- Paints
- Coloured paper
- Pens
- Crayons
- Scissors
- Glue

- 1) Paint all your toilet rolls green and leave to dry.
- 2) Using your templates, draw around your flowers, leaves and flower label.
- 3) Cut out all your flowers and leaves (you may need to ask an adult to do this!)
- 4) Using all your lovely paint, pens and coloured paper start decorating your leaves and flowers! The brighter the better!
- 5) Once your flowers and leaves are dry, glue the leaves to the front and back of your toilet roll.
- 6) Next either glue your flowers to the front of your toilet roll or using your scissors cut a small slit on either side of the flowers and slot them into your toilet roll.
- 7) Finally write your message of hope on your flower label! Be strong! Be happy
