

Find out how your organisation can support Julian House this Christmas

Your support this Christmas will make a significant difference for those facing homelessness and hardship this winter in the South West.

Find out ways to get involved in an office fundraising event for us - carol concert, festive quiz, mince pie sale, whatever you choose!

By taking the time to throw these events and raise money you and your colleagues are actively contributing to delivering life-changing and life-saving support for vulnerable people across the South West.

Thank you for all your amazing support!
